Hi, my name is Alex Benbow-Morgan, I'm 16, and I'm from Pontypridd. Ever since I was younger, I've always wanted my voice to be heard and I've always signed up for any school councils that were available. Following that, I've always been interested in politics, with me joining the politics club in college, having regular debates with people I know about what they believe in, and I have always been up to date with everything that's happening in the world. I've always loved helping people and speaking up for those who can't, and that's why I believe I would be a great representative for RCT. I always make sure everyone is comfortable and happy no matter what situation I'm in. I'm always there to lend a helping hand to anyone who is in need. If I get voted in as one of the next MYPs, I will be looking forward to spreading awareness about women's rights and health, educating students about self-expression, ending the prejudice against marginalized communities, and overall making young people's lives safer and happier.

A fun fact about me is that I've had my hair dyed pink for almost three years, and I have an adorable bearded dragon called Sprinkles :)
