

Name: Miley Evans

Age: 16

Area: Llanharan

My name is Miley Evans, I'm 16 years old and I am from Llanharan. My experiences and involvements include engaging with YEPS in RCT, through YEPS I have gone on trips that have helped me meet people and build my confidence. I have supported YEPS community forums which have given me the experience to work on projects and build a number of different skills, including problem solving and teamwork. I'm looking forward to expanding these skills through the YEPS Youth Inspectors project. Additionally, I also volunteer for a local youth club through which I am now able to work towards my Youth Work Level 2 qualification.

I'm an independent, respectful young person, who is good at communicating and listening to others. If I get voted in, I will be looking forward to getting my voice out into the community. You should vote for me as I will listen to everyone and get everyone's points across respectfully.

Something you might not know about me is that I was home schooled. I found out about YEPS through home schooling and I've had opportunities I would of never had be for.
