**Age: 14**

**Area: Llantwit Fadre, RCT**

My name is Llewelyn Harris, I'm 14 years old and I am from Llantwit Fadre. Some of my experiences and involvements include being a member of my school council where I have been able to work on projects and learn from my peers. I have also had the opportunity to attend an online meeting with Chris Bryant MP. I have built skills that make me a very good listener to people of all ages and areas. I have a strong voice for young people and a passion for turning your concerns into real action. I am part of a local acting group, acting sharpens my empathy and communication skills, and music for me builds teamwork and discipline. Together, I believe teamwork and discipline form an excellent foundation for leadership. I have a determination to succeed which comes from balance, discipline, curiosity, and resilience. By committing to growth in each area, and learning from both success and failures, I am able to demonstrate the mindset of someone who doesn't just dream, but follows through. As an MYP I will have the opportunity to listen to diverse perspectives and represent issues that matter most to my peers.

Some fun facts about me, I am a honored Welshman and incredibly proud of my culture and language. I am a musician and an actor and I support Cardiff City football club.
