My name is Logan Ward, I am 14 years old, and I am from Ferndale, Rhondda Fach. My ambition is a key quality that gives me a strength to have a reason and importance to all my experiences. My experiences has been at not just at a local level, but at a national level. I am a member of Swim Wales Youth Advisory Board which has given me a rare opportunity to work with people across Wales to make a positive impact on how we govern Swim Wales. I sit on my school Senedd as well as a Year Representative. I am also Captain of the Boys Rhondda Swimming Club and former Criw Cymraeg.

Through my roles I have become a stronger leader and communicator, I am approachable, caring, helpful, empathetic and trusting.

I am looking forward to being a voice of young people in RCT, standing up for and reaching out to the RCT community, focusing on making positive impacts for young people from all backgrounds.

Fun Fact about me is that I am a huge history fan! I love all things history and have an interest in learning about different cultures!
